### Rhee Makes Move to Yield Some Powers

SEOUL, Korea (AP) — President Syngman Rhee today agreed to shake up his badly jolted South Korean government with a premier becoming the official chief executive.

Going back to the premier-cabinet system he once scrapped, the 85-year-old President moved to yield some of his powers as the nation's strongman. He would remain as chief of state. Rhee's moves to meet demands for more democracy were received coolly. Questions were immediately raised about how much power he actually would relinquish. Rhee was reported to have hand-picked cabinets through the premier

when South Korea had the cabinet system before.

Former Prime Minister Y. T. Pyun told newsmen that Rhee probably will resign as head of the ruling Liberal party to become a nonpartisan president.

Coming from a conference with the President, Pyun also said Rhee agreed to suggestions for making his national police politically neutral.

The police have been under fire for their brutality in crushing antigovernment demonstrations.

Vice President-elect Lee Ki-poong, main target of the demonstrators, said he was resigning. Incumbent Vice President John

Chang, whom Lee beat in the mid-March elections that brought charges of rigging, did step down as a protest against the "continuing tyrannical, oppressive rule" of the Rhee government.

Chang, who had four months of his term left, said in his resignation statement he wanted to "ring warning bells to the Syngman Rhee government which is drunk with power."

He said both Lee and Rhee should resign to calm the nation, and new elections for both offices be called.

Lee said in a statement that

### Scarberry's Confession Is Admitted

PORTSMOUTH, Ohio (AP)—Alfred Scarberry's confession to the alleged drowning deaths of his two infant sons has been admitted as evidence in his first-degree murder trial.

Presiding Judge Thomas W. Mitchell of Jackson County said there was no evidence to show the man's confession was influenced by the slapping received from a policeman.

Defense attorney Edgar Hale said Scarberry had signed the confession because he was afraid he would be beaten again. He told the jury that Scarberry "was struck about the head and told to come up with the right answer or else."

Patrolman David Miller admitted he lost his temper and slapped the accused. The confession was signed several hours later.

Scarberry, 41, is accused of taking his sons, David Lee, 10 months, and Kenneth, 2, into the Little Scioto River last Dec. 12 and releasing them. He has pleaded innocent and innocent by reason of insanity.

Hale said Scarberry had a mental blackout the day of the alleged drownings and does not remember having the children and or know where they are. Their bodies have never been found.

The body of an infant, found Wednesday on the Indiana side of the Ohio River near Louisville, Ky., could not be identified as either of the victims, officials reported. Condition of the body made identification impossible, they said.

Scarberry, who lives in adjoining Sciotoville, has seven other children, and his wife, Dorothy, is expecting another.

### Rep. Powell's Trial Ends In Hung Jury

NEW YORK (AP) — The long trial of Rep. Adam Clayton Powell Jr. (D-NY) has ended in a hung jury.

A Federal Court jury of eight women and four men which reported itself hopelessly deadlocked was discharged Friday by Judge Frederick Bryan. The trial began March 8.

Jury foreman Harry A. Erter, an insurance broker, first told newsmen a 6-6 split began on the first ballot and continued through all the 20 votes cast. Later Erter said he was tired and confused and that the final ballot was 10-2 for acquittal.

The Negro legislator minister told about 600 members of his congregation Friday night: "I am glad to get back to work full time. I have been working only part time because of the ordeals of the trial."

After the jury was dismissed, defense counsel Edward B. Williams renewed his motion for judgment of acquittal by the court. Judge Bryan scheduled a hearing on the motion for May 12.

Powell, 51, originally went to trial on three income tax evasion counts, covering the 1951 tax return of his wife, pianist Hazel Scott, and their joint 1952 return. Midway in the trial, Judge Bryan dismissed the charges covering the 1952 return. The government charged in the remaining count that Powell fraudulently paid only \$900 in 1951 on his wife's gross income of \$70,000.

Miss Scott and Powell have been estranged, and she is living abroad. Miss Scott was not a defendant in the case.

### Council, Mayor In Accord On Needed Steps

Merchants to Aid Establishments Of E. Pershing Tract

City Council Friday night instructed Solicitor James Primm to draw up legislation which will allow the city to proceed with construction of an off-street parking lot on East Pershing between Lundy and Penn Aves. at an estimated cost of \$122,000.

The metered lot, which will provide parking facilities for more than 100 cars, will be located on the south side of E. Pershing between Penn and Lundy.

The decision to go ahead with an off-street parking plan was made at a conference last night of council, Mayor Dean Crammer, City Engineer F. S. Barckhoff and Solicitor Primm.

Council will meet in special session Tuesday night to vote on resolutions necessary to get the plan underway.

One measure will provide for the advertising of bids for excavation and basic construction of the parking lot. Another will authorize the issuance of general obligation notes for \$90,000.

Merchants To Share Cost  
The difference between the \$90,000 obligation of the city and the \$122,000 estimated cost of the parking lot will be made up by retail merchants who previously agreed to pay one-fourth the cost of the improvement.

Mayor Crammer said a resolution also is being prepared for the condemnation of two properties not now under option by the city. Three options on other properties are held by the city.

The Magee-Hale Park-O-Meier Co. of Oklahoma City will be asked to quote a price for ramping the present downtown on-street parking meters so that they will operate for five cents and 10 cents instead of the present one cent and five cents.

The \$122,000 estimate on the off-street lot includes, excavation, base drainage, procurement of land, installation of meters, blacktop new sidewalks in front of and on the sides of the parking lot.

Mayor Crammer said the \$122,000 estimate made by the engineering department is "known to be high as estimates go." "We hope to be able to cut that cost by several thousand dollars," the mayor commented.

"Council has agreed to pass any and all legislation to have this off-street parking lot become a reality."

### District Begins 'Fast' Time Sunday

In Salem and more than 100 other northeastern Ohio communities 2 a.m. Sunday suddenly will become 3 a.m.

That is the official time for the annual switch to Daylight Saving time.

The best suggestion is to advance our clocks on hour before retiring tonight. DST continues until the last Sunday in October for all communities in this district except Wellsview, which reverts to EST Sept. 25.

Barnesville in Belmont county won't go on Daylight Time until June 1. Sandusky observes "fast" time only from Memorial Day to Labor Day.

# ASK for a DEMOCRATIC Ballot

Tuesday, May 3, 1960

Polls Open 7:30 a.m. to 7:30 p.m., DST

JOIN the Party That's On The March

To Our Fellow Citizens of Columbiana County:

I would like to ask you to join with us in our efforts to encourage more people to vote in the primary. The Democratic Party of Columbiana County would welcome you and we ask you to help select the men who want to represent us in the general election. These men will be your county and state officials and it is your right to have a voice in selecting them in the primary election.

Columbiana County will spend thousands of dollars to hold the primary election on the 3rd day of May, 1960. This is the true democratic way to select candidates and it is your duty to preserve this right by voting.

Ohio law provides that if you voted for a majority of Democrats in the 1958 general election, then YOU ARE ELIGIBLE TO VOTE IN THE DEMOCRATIC PRIMARY ON MAY 3rd. If you did not vote in the 1958 primary and if you will be 21 years old before November 8, 1960, you are eligible to vote in the Democratic primary May 3, 1960. BE SURE TO GO TO THE POLLS ON MAY 3rd AND ASK FOR A DEMOCRATIC BALLOT.

Columbiana County is the largest county in the 18th District, and it is our duty to show a heavy Democratic vote in the primary, thus showing the State and National Party leaders that we in Columbiana County are doing our job and following our subsequent duty by voting at every opportunity.

It is your subsequent duty to take advantage of your eligibility to vote in the primary because political parties are really civic organizations. So take advantage of your right and vote in the Democratic primary. For your convenience we have printed a sample ballot. The polls open at 7:30 A. M. and close at 7:30 P. M. Take advantage of your right — VOTE IN THE DEMOCRATIC PRIMARY, May 3, 1960.

# Confident Living

By Dr. NORMAN VINCENT PEALE

You Can Conquer Your Fears

While lunching with friends in Chicago I heard a significant experience related by an executive of one of America's large food-processing companies. Some years previously this man realized he was becoming more and more a victim of anxieties and fears. They made life miserable for him both at work and at home. He would talk about them at the dinner table and worry his wife and children. His fears haunted him in the night and disturbed his sleep.

Then a man whom he knew well said to him, "Jim, the trouble with you is you are too grown up. You must become as a child of God. You have let things complicate your faith. You had better get 'simple' again."

## Lisbon Social

Forty members of the WSCS of Lisbon Methodist Church were entertained by the Elkon women of the same society Thursday night at a smorgasbord dinner.

Mrs. Leland Baker acted as the toastmistress. A program followed, with the welcome by Mrs. Myron McCamon, president, who also presided over the short business meeting.

Mrs. Earl Smith led the devotions.

The girls choir sang two numbers and a group of the society members presented a humorous musical number.

The speaker was Miss Liesbeth Derweel, an exchange student from Holland, now residing with Mr. and Mrs. Albert Oakley of East Palestine. Already graduated from high school in Holland, she will graduate from East Palestine High School this spring and will return to her home in July. She spoke on the customs of Holland and differences she had found in the United States.

The Lisbon society will meet on May 10 at the church.

GAMMA ZETA CHAPTER of Epsilon Sigma Alpha Sorority was entertained by the Hanoverton Chapter, Thursday night in the home of Mrs. Homer Rogers of Summitville. Nineteen members made the trip.

Games were the diversion of the evening, with many receiving prizes.

Lunch was served buffet style, with the table laid in white linen and centered with a spring bouquet in a crystal bowl. White tapers in crystal completed the setting at either side.

The Rev. C. O. Armstrong, pastor of Trinity United Presbyterian Church, was surprised following the "Thursday at 7" service, honoring his birthday anniversary.

This man's words impressed him and he began to think about them. He did some praying as suggested, and soon an idea began to grow in his mind. It was 'one he once might have rejected as too simple. Instead he decided to act on it—and it had far-reaching consequences.

During the day, whenever he felt worried about anything, he would take a card and write a description of the thing he feared. (Just by doing that much, incidentally, he helped himself to some degree, for with any emotional problem it always helps to write it out, get it well defined so you can really see it.) Then he would stick the card in his pocket.

AT THE END OF THE DAY he would leave his office carrying a pocketful of these "worry" cards. He lived in a residential district outside Chicago and had a fence around his house with a mailbox at the gate. Arriving home, he would take the cards from his pocket and put them in the mailbox. "Lord," he would say, "here are my worries. I don't know what to do about them. So I am putting them in this box and leaving them in Your hands while I have a peaceful evening with my family and a good night's sleep. I will come by in the morning and pick them up again."

In the morning as he left for work he would take the cards from the box and look them over on his way to town. He would read a card and think, "I wonder why I worried about that." And he would tear the card up and throw it away. He would look at another and say to himself, "Well, this does still bother me, but I think I see an answer to it." That card he would put back in his pocket and if, come evening, the worry it represented was still with him, he would again leave it in the mailbox.

"I have been doing this now for years," he told us. "I am handling my fears now. Before, they were handling me."

SO THE FIRST essential in conquering fear is to become a trusting child of God. Be able to leave things with God. The one force greater than fear is faith. As we learn to have faith in our Heavenly Father, we begin to discover how to cope with fear.

Notice that this man did not claim he ever reached a point where he no longer was afraid of anything. But he was able to say, "I am handling my fears now." Faith does not make us immune to fear. But it does enable us to stand up to fear.

Dr. Smiley Blanton, a Southerner by birth, tells of the behavior of a Confederate captain of cavalry. The captain knew what the battle of the day was going to be like and he was scared. As the moment came to mount and ride forward into combat, he felt his legs shaking like aspen leaves. Looking down at them, he said, "If you knew where I am taking you today, you wouldn't shake—you would collapse!" Then he mounted his horse and rode into battle.

EVERY HUMAN BEING, every child of God, is capable of such bravery. When we objectify our fears it enables us to stand up and face them, and draw on the resources of strength with which God endows each of us when we have faith.

"God is our refuge and strength, a very present help in trouble. Therefore we will not fear..." Put your trust in God and look to Him for help. And you will gain the courage to stand up to your fears and, by standing up to them, conquer them.

# PICTURE PRETTY

List 1

Pretty as a picture, isn't she? She looks "downright" angelic. Yet, five minutes from now, she may be a little bundle of fury!

Children change faster than the wind. They haven't learned to hide their feelings. But while grown-ups may present a better camouflage to the world, there are few of us without inner conflicts. And these conflicts can be serious.

It would be a lonely world if we had to keep all our problems to ourselves. We don't. God never intended that we should have to solve all our difficulties single-handed. Remember, He established His Church on earth for us. In that Church we will find understanding fellowship, and the faith to work out our own destinies.

Take your problems to Church. Pray that you will find a solution to them. Talk them over with your minister. And what seems a maze today may become a straight road tomorrow.

## The Next Logical Step

Gov. DiSalle has indicated he has reached the point of taking the next logical step in his efforts to stamp out commercialized crime in Ohio.

He plans to ask the next session of the Legislature for racket squad powers for the new liquor enforcement division now being organized along the lines of the Federal Bureau of Investigation.

Specifically, this would mean authority for agents to bring charges in local courts against gambling and vice operators.

GOV. DISALLE undoubtedly has reached this decision because of two primary factors:

1. All of his attempts to date to launch a statewide campaign against racketeering have proved inadequate because of the limited police powers of the state.
2. He believes the new, high-grade enforcement division can be entrusted with the additional police powers needed to do the job.

By approaching the problem from this angle, the governor apparently hopes to allay the fears of those who are skeptical about a trend toward a Gestapo-like police state. The need is not for a statewide force to handle the usual run of felonies and crimes of violence. These can be and are handled adequately by local law enforcement officials.

The problem is to police from the state level commercialized crime, which sometimes corrupts local officials and almost always is connected with criminal networks that transcend subdivision boundaries and therefore leaves dedicated local officials powerless to get at the root of the evil.

Gambling and vice frequently, though not always, are allied with illicit liquor interests. It is logical, then, to try to get at them through an extension of liquor agents' authority.

IT SHOULD BE borne in mind that the authority to bring charges in local courts is also a protection against abuses of that power. The courts at all levels are traditionally the safeguard against authoritarianism. The real restraint on the broad powers granted to local police forces is the fact that arrests must be backed up in court.

By combining an expansion of anti-racket powers for liquor agents with the criminal conspiracy bill which Gov. DiSalle says he will again request, the next Legislature could provide the state with the tools necessary to clean up Ohio and keep it clean.

No administration then would have an excuse for allowing commercialized crime to spread its tentacles into this state.

## Tape Traps Truman In Trite Trick

Former Republican Defense Secretary Charles E. Wilson was the man whose rash statements made the phrase "foot-in-mouth disease" famous, but former Democratic President Harry S. Truman certainly qualifies as a worthy fellow-sufferer of the ailment.

"Mr. Truman has been caught up in his charge that he was misquoted concerning charges that the Communists engineered the sit-in strikes of Negro students against segregation at southern lunch counters.

Perhaps his real trouble is that he has not caught up with the modern electronics age. He is still relying on the old-time politician's dodge of passing the buck to the reporters who tried to do an accurate job.

Few reporters are experts at shorthand and most of them — even the most experienced — are aware of the occasional fallibility of notes scribbled at hectic pace during the orations of impassioned politicians.

## But What About Mao?

Success at the coming summit meeting in the field of disarmament could be only a partial victory for the world unless some way is found to corral the Chinese maverick, Mao, and his Chinese cohorts.

Messrs. Eisenhower, Macmillan, De Gaulle and Khrushchev may find a common ground to reach a settlement. But what about Mao?

He has been a junior partner in the Communist alliance for many years but there are signs that he is tiring of this role and one sometimes wonders if Mr. K has full control over the Chinese situation.

THE STORY was reported about Mao's antics during his last visit to Moscow when he was guest of honor at a Khrushchev dinner. Although the Red China boss can speak fluent Russian, he preferred to speak in Chinese and use an interpreter. Toward the end of the evening, he told Anastas Mikoyan, the No. 2 Soviet boss, that the next time he visited Moscow he hoped that Khrushchev and Mikoyan could speak Chinese.

Another incident that certainly didn't help

Khrushchev was the border scrap with India prior to Nikita's visit to that country.

Reports have filtered out that Peiping rapidly is becoming a Russian political problem instead of a Moscow ally.

Many political realists living on Red China's perimeter see Mao & Co. committed to a policy of political and military aggression which cannot be stopped by any possible summit commitments.

RED CHINA has been unable to gain recognition from either the U.N. or the U.S. But before any pact on disarmament is reached she will have to be consulted on her stand. Perhaps she feels this is her chance for that long-awaited recognition.

The Soviet Union never will approve any arms reduction unless Mao is in accord. Although the two are from the same side of the street, there has been a long history of mutual distrust.

Throughout history, Russia has been forced to keep a sharp eye over her shoulder as she moved forward in the world. That Siberian back door is big and it must be guarded at all times.

on way to the track. . . . Guns for cabbies in New York have been vetoed. They will have to depend on their license photos to scare off hoods. . . . Census takers have been quitting fast. They're tired of ringing doorbells, saying, "I'm here for the census," and getting the answer, "We don't need any today."

Brokers who have long been pooh-poohing AT & T as for "widows and orphans" are now tout it loudly for all. (What's good for widows and orphans is good for America.) . . . The United States is to produce "Holiday On Ice" in African jungles in a culture program. We are ahead of all nations in skating formats. Peace through fun on the ice! The long range intercontinental ice-skate, as it were. (But suppose Khrushchev gets ahead by sending some Sonja Henie type to the moon?)

Harry Truman putting the knock on Messrs. Kennedy and Stevenson makes some people think that while those morning walks are not harming his feet they are hurting his head.

A NEW BROADWAY HIT musical "Bye, Bye Birdie" could now be retitled "Buy, Buy, Golden Eagle" . . . Drug expert says the United States spends more money safeguarding dog food than safeguarding human health. Well, if you have a good healthy pooch around the house it can make you feel better anyhow. . . . The New York small car show has an exhibit of old cars, including Pierce Arrow. Who remembers when this was America's de luxe auto, the sure proof of riches and an eye-opener to most folks because it cost "as much as \$4,000"?

It was in a period when most cars cost around \$1,500 and Lizzie could be bought for \$500.

Eddie Arcaro won three races on day before his suspension set in. He was in a hurry to start vacation . . . Jerry Lewis is a comic who needs above all else better controls, a good judge of scripts and a straightman.

## Inside Labor By Victor Riesel

Victor Riesel

with cheek wants the monitors to quit, too. And he wants the federal court to get out of the Teamsters Union business. He worked it all out with the inner circle which is so small a band that it fits into the private elevator to his own sanctum. This he did in his office on April 14.

All Hoffa needs now is the approval of the monitors and the federal judiciary. What he proposes is that the monitors call a special convention after he resigns in favor of his stalwart secretary-treasurer, John English.

But he is willing to make any other sacrifice — such as taking a long vacation in Europe during the convention. He has just an unsneaking suspicion that the convention would elect the aging John English president for the interim term. Then English would be eligible for a \$50,000 a year pension and would be happy to take it.

Hoffa also is convinced that English is so dedicated to him — and the pension — that the new president would simply be delighted to

Then everybody goes home, including Jim Hoffa. He will pledge not to run for reelection at the special convention. He will pledge not to interfere. He will pledge to stay in his own bailiwick, namely the central states area, headquartered in Detroit.

HE WILL NOT PLEDGE not to run again at the next regular convention in 1962. He will not pledge to give up any of his regional offices nor his powerful trusteeship on the board controlling the Central and Southern Teamsters 350-million-dollar welfare and pension funds.

But he is willing to make any other sacrifice — such as taking a long vacation in Europe during the convention. He has just an unsneaking suspicion that the convention would elect the aging John English president for the interim term. Then English would be eligible for a \$50,000 a year pension and would be happy to take it.

Hoffa also is convinced that English is so dedicated to him — and the pension — that the new president would simply be delighted to

lean heavily on the man in Detroit for the next two years.

Hoffa, who has the emotion of a Univac, also has its realism. He knows that once he steps out of office, there is always a chance he may never get back in. But he's willing to risk that margin for error.

HE HAS TOLD intimates that he believes the hearing opening in Judge F. Dickinson Letts' court Wednesday will oust him from office — and end with the naming of a federally appointed receiver over the union. That job is expected to go to ex-FBI agent Terence McShane, the new monitor. Hoffa is reliably reported to have said that such a receivership might last 10 years.

It is Hoffa's belief that the government receiver would recruit some 40 or 50 young lawyers right out of law school. These young men would be carefully screened. They would then be sent into regions which have been shown by the McClellan hearings to be corrupt.

In far less than 10 years, a federal master with such a flying squad of trouble shooters could dismantle Hoffa's machine and run interference for a strong opposition.

This housecleaning would start in the marble palace itself. In a short time Hoffa would have little influence.

HOWEVER, if Hoffa could convince the monitors to match his resignation with theirs, he could still be the power inside the Teamsters. He would then reverse tactics.

First he would try to sell the Taj Mahal known as the Teamsters headquarters. It's too ostentatious, too expensive and too much in the public eye. The Teamsters would move to more modest quarters, such as the ousted Bakery and Confectionery Workers building on which the truck union holds some mighty heavy mortgages.

Hoffa then would try to get out of the public eye and wait to reappear at the '62 convention. It's a long chance, but he'd take it just to stay out of the court room Wednesday.

## SIDE GLANCES

By Galbraith

"But, Mother, Johnny doesn't spend more than he earns. He just spends it before he earns it!"

## Matter of Fact

The English and Scotch got pretty sick of scolding and gossiping women in Queen Elizabeth's time. So they devised a fitting punishment. The "scold's bridle," an iron cage, was fitted over the troublemaker's head. A piece of iron stuck into the mouth, stopping all speech. Often an iron mask was used with holes only for eyes, nose and lips. The woman was tethered in the market place for all to see.

## Politics a la New York

By RAYMOND MOLEY

### Two-Party System Farce In Metropolis

In what follows I am referring to that part of Greater New York City which is commonly known as Manhattan island and is officially New York County. Since two years after the inauguration of President Washington, it has been the jealously guarded hunting ground of Tammany Hall.

Each of the other four counties in Greater New York has its own Democratic organization. In 1959 New York County fell in population below Kings (Brooklyn), and Queens. But the Tammany head is still powerful in city affairs, and Mayor Wagner is a native of the island.

To some degree, the political conditions which I shall describe are the same in the Bronx and, to a somewhat lesser degree, in Kings. Only in Queens and Richmond (Staten Island) are there real two-party systems.

A feeble Republican organization exists in Manhattan and duly elects official party leaders prescribed by law for any party — a county committee, assembly district leaders and co-leaders (mostly women), and certain formal officers who serve under a county leader elected by the assembly leaders.

SEVERAL YEARS of rather intimate association with politics in the county have taught me what happens to a minority party and how it manages to live at all. Broadly speaking, it lives because it is to the interest of Tammany to keep it alive.

Why? Because, if there were no Republican organization and thus no campaigns each year against an opposition party, Tammany would be riven by internal feuds and factions. It has some of that now in the shape of a group headed by ex-Senator and ex-Governor Herbert Lehman and Mrs. Roosevelt, who want to unseat Carmine De Sapio as leader.

There is also a splinter Liberal Party which needs appeasing. But with a rallying cry against really harmless Republicans, some sort of unity and discipline can be managed. This year Tammany can be rallied for some Democratic presidential candidate. Next year, against a hopeless Republican candidate for mayor.

How is the Republican Party kept in line? In the first place, there is the exceedingly unreliable Republican Party membership.

## Not Up For Grabs

By TRUMAN TWILL

It says in the paper one of the men panting for the presidency of the United States this year, Hubert H. Humphrey, Democratic senator from Minnesota, is fresh out of money and going into debt for his campaign.

Humphrey currently is running in West Virginia, where he says \$2,000 in borrowed money is the only fuel he has for starting the political brushfire he needs there after his experience in Wisconsin.

In Wisconsin, he shot the works without winning. It is not revealed how big the works were, but when the shooting was over there was a \$10,000 deficit. This means the Humphrey campaign's credit will not be A-1 until all the Wisconsin bills are paid. West Virginians who purvey goods and services needed by campaigners will demand cash on the barrelhead. You can't blame them.

There is no place in politics for philanthropy.

No one can dispute this, yet almost no one seems to understand what it means.

Every candidate who must solicit money to put on a campaign for public office is under obligation to the people who put up the money.

This has kept some politicians under obligation to some of the gamiest people in the nation. Gangsters, racketeers, extortionists, fixers, squeezers and strong-armers have moved into the vacuum created by public failure to understand what happens when political candidates must go looking for funds.

Sen. Humphrey is under obligation to someone for his campaign in Wisconsin, too. He will be under obligation for the money he spends in West Virginia. His backers may be jim-dandy philanthropists who won't expect anything in return. They undoubtedly are honest men, but no one donates money for fun in politics.

The crazy system we use puts up every candidate for grabs in a political slave market. The highest bidder gets his man, if the man is willing to be indentured to owner. There is no other way to pay the freight for political campaigns. Maybe, like some of the other things that have evolved more by accident than design in U.S. politics, it works and should be let alone. But it doesn't look that way to me. We are tolerating a system that puts a premium on bought-and-paid-for political candidates.

The first thing I plan to do if elected to the presidency, after taking a post-prandial nap in Abe Lincoln's bed, is to call in the boys and tell them to pass a law setting up allowances for campaign expenses of all candidates for federal offices. In the same law, it will be specified that for every dollar in excess of the allowance the candidate can be proved to have spent two dollars will be struck from the allowance. That will be an inducement to stay honest.

Nobody will be bought and paid for any more by the possessors of ready cash. They always expect something for their money, and when they don't get it they make trouble.

It wasn't the idea of this republic that the only way to elect a public official was to tie his hands before he could run with his feet. The idea was that public officials should be picked on the basis of their ability to do what they were elected to do in behalf of all the people, not the few who had put up the money to pay their campaign expenses.

Sen. Humphrey may not be as poor, actually, as he says he is. But he unquestionably is hurting for the kind of money it takes to travel first class in a political campaign — and if elected President I intend to do something about this as soon as I've sacked out where Abe Lincoln used to hit the downy after lunch.

## Nursing School Taking Applicants For July Class

In the three years of its life, the Hannah E. Mullins School of Practical Nursing has graduated 30 young women, most of whom are now serving in hospitals, private homes and physicians' offices.

The current class, consisting of 11 members from Salem and other Ohio communities, is scheduled to graduate in November.

Applications for membership in the next class, which will begin July 5, this year, are being accepted now, according to Mrs. E. R. Durand, school director.

"While more than half of the

enrollment of our next class has been selected already, any young woman who meets the qualifications for admittance has until May 1 to apply for membership in the July class," explains Mrs. Durand. Several weeks are needed for processing a prospective student's application.

The period of training is one year, which is divided into two periods: four months of pre-clinical work and eight months of clinical experience.

Character references, high school graduation or its equivalency, being between 7 and 45 years of age, and possession of a desire to be of service to the sick are among credentials a young woman needs for admittance to the School of Practical Nursing.

## TO ATTEND MEETING

Mrs. E. R. Durand, director of the Hannah E. Mullins School of Practical Nursing, will be in Columbus next week for an intra-state meeting in which representatives of practical nursing schools and programs will consider the development of curricula. Practical nursing schools and programs in six states, Wisconsin, Illinois, Michigan, Indiana, Kentucky and Ohio, will be represented at the April 25-29 meeting, during which practical nursing programs will be evaluated.

# Salem Routs Sandy Valley 109-9 For 6th Track Victory

## Quakers Take 13 of 14 Events

Locals Turn In Best Marks In 5 Contests

By DICK BRAUTIGAM  
The Salem High track squad raced to its sixth straight victory Friday at Reilly Stadium by completely outclassing Sandy Valley which was left hanging on the short end of a 109-9 score.

Salem won 13 of the 14 events. Only a first in the high jump, a second in the 100-yard dash and a third in the mile kept Sandy Valley from being a shutout victim. Officially the score was recorded as 98-20 as Salem agreed before the meet to automatically give Sandy Valley all of the third places.

The meet was scored on a 5-3-1 basis except the mile and half mile relays in which only the winner was awarded points.

In spite of the lopsided score, only two of Salem's five other opponents have done as well against the Quakers this year. They were United which fell 122-22 and Youngstown Ursuline which dropped an 86-32 decision.

Beaver Local collected only six points against Salem, and Girard and Louisville managed only seven.

ONE OF the most encouraging factors for Coach Karl Zellers in yesterday's meet was that the winning marks in five of the events were the best turned in by the Quakers this season. In two other events the times equaled the best previous performance of the season.

Both the half mile and the mile relay teams remained undefeated. Individuals who maintained their unbeaten records for Salem were Jim Solmen in the mile, Dan Krichbaum in the 440, Ed Yates in the low hurdles and Tim Burchfield in the 220.

Burchfield also copped the 100-yard dash as well as anchoring the half mile relay team to victory to make him a triple winner yesterday.

Double winners for the Quakers were Solmen in the mile and half mile, Krichbaum in the 440 and mile relay and Horn in the pole vault and broad jump.

RICK SULEA and Jim Lehwald tied Horn for first in the pole vault. All three cleared 10-6. The trio failed at three attempts apiece to make 11-0, a height they have all cleared this year.

Another Salem vaulter, Fred Harshman, cleared 9-6. Sandy Valley's only vaulter bowed out when he couldn't get past 7-6.

Horn's winning leap in the broad jump was 18-5 1/2. Krichbaum was second at 18-4 and Don Davidson made it a clean sweep for Salem, jumping 18-1 3/4. Salem's leading broad jumper, Sulea, did not participate in this event yesterday.

Frazier was Sandy Valley's only winner. He picked up five of his team's points by winning the high jump at 5-7. Salem's Don Davidson, who has cleared 5-9 this season, was unable to make 5-8 yesterday and failed to place.

SALEM TOOK 1-2-3 in the shot put with Ned Chappell winning and Ron Janovec and Bob Lambert following. Chappell's heave was 45-1 1/4. Janovec's 44-4 1/4 and Lambert's 37-6.

Burchfield brought his time in the 220 down to 23.9, his best of the season. His 10.7 for the 100-yard dash equaled his previous low.

Junior Herb Call broke the 16 second mark in the 120-yard high hurdles for the first time. He was clocked at 15.9. Ed Yates was only a step behind, being timed at 16 flat. This was also his best time of the season.

Yates walked away with the low hurdles but his time of 21.8 was off his usual pace. Horn got a third in the lows. Sophomore John Hiner placed third in both hurdles events.

SALEM'S NUMBER ONE hope for a district champion, Jim Solmen, continues to improve each time out. Yesterday the lanky senior captured the mile in 4:41.1. He expects to get down near the 4:30 mark by district meet time.

Solmen's winning time in the half mile was 2:10.1. He was pushed by Randy Strader who was clocked at 2:12.6.

Junior Tom Floyd gave Dan Krichbaum a good race in the 440 which helped push the veteran to his best time of the season, 53.4. Floyd's time was 54.1 easily good enough for second place.

Salem captured all three places in the discus as two Quakers turned in their best throws of the year. Bob Zeppernick won the event with a toss of 133-6, almost five feet better than he has done before.

NED CHAPPELL had to be satisfied with second place with his 128-2. Don Davidson was a distant third with a 120-4 mark.

The Salem half mile relay team tied its best previous time of the season, 1:36.4. The mile relay team also won easily with its 3:44.8 clocking.

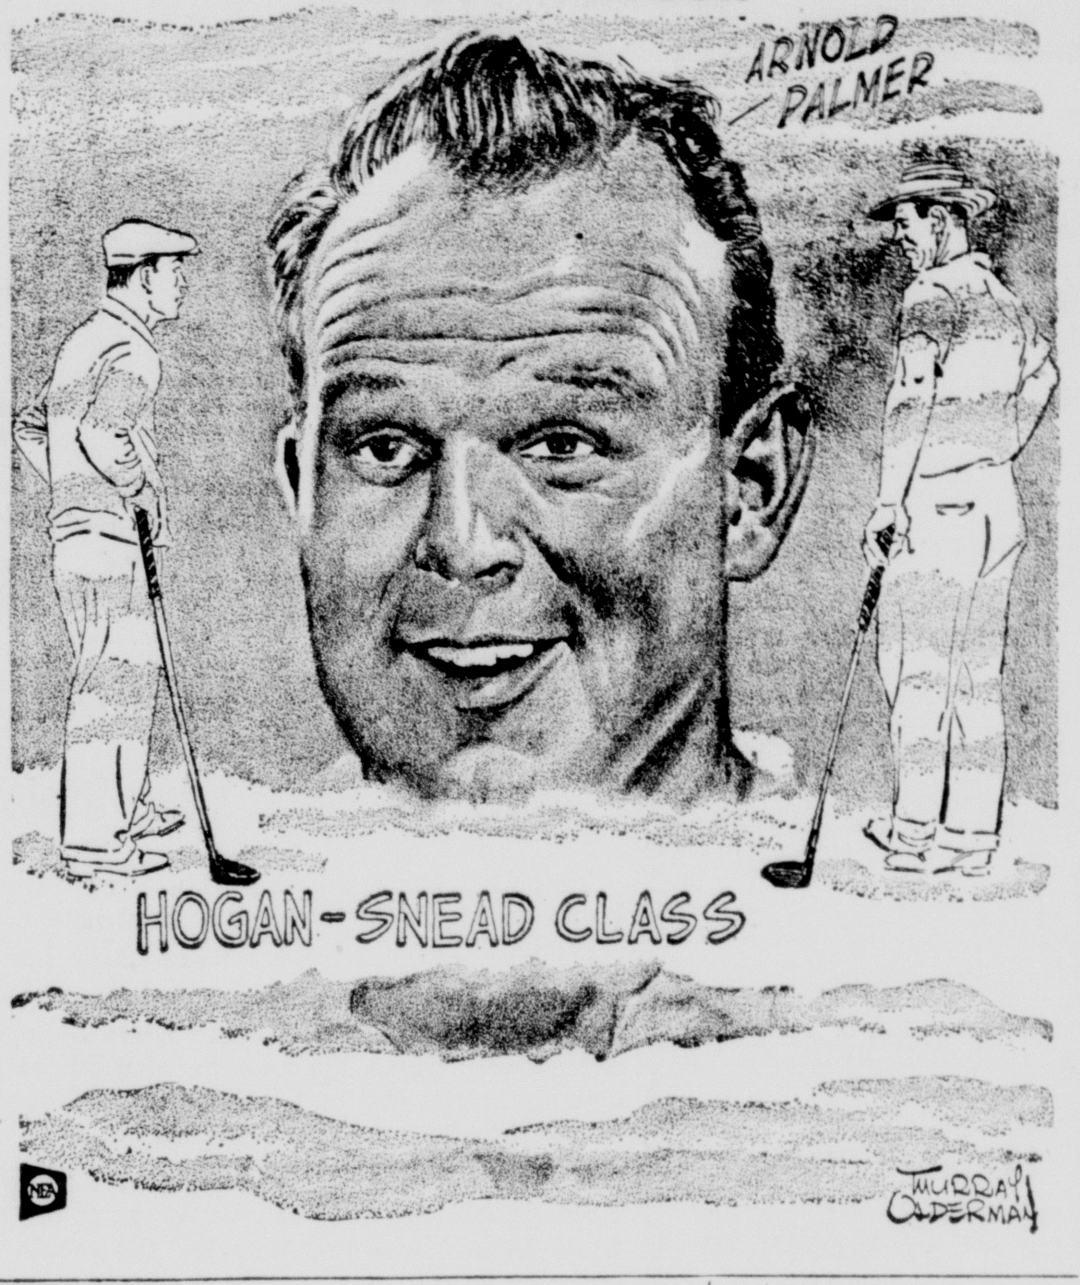

Salem's next meet is scheduled for 4 p.m. Tuesday at Reilly Stadium. The meet is supposed to be with Hubbard but Athletic Director Fred Cope reports that another

## Pirates Trample Braves 6-2; Giants, Cardinals Victors

By The Associated Press  
This definitely is a new season for Bob Friend, the Pittsburgh Pirates' right-handed ace who wasn't last year.

He put away his second straight complete game victory Friday night as the Pirates beat the Milwaukee Braves 6-2 and jumped into second place in the National League race.

A year ago Friend lost his first seven and didn't win one until his 11th start. He didn't manage two complete-game victories in a row until his 29th start.

It was the third straight victory and fifth in six games for the Bucs, moving them within a half-game of front-running San Francisco. The Giants took a 10-8 win at Chicago while the St. Louis Cardinals dropped Los Angeles out of a share of first to third place by beating the Dodgers 11-7. Philadelphia whipped Cincinnati 10-7.

In the American League, unbeaten Detroit won its third, breaking a first place tie with Chicago by handing the White Sox their first defeat 6-5. New York beat Baltimore 5-0 as Whitey Ford and Ralph Terry combined for an eight-hit shutout. Kansas City rattled winless Cleveland 4-1, and Boston defeated Washington 5-4 in 11 innings.

Friend, who shut out Cincinnati on four hits Sunday, has allowed only one scoring inning in his last 18. The Braves ended his scoreless string at 11 innings when Billy Bruton tripled, and scored on an infield out, and Hank Aaron followed with his third home run for a 2-2 tie in the third.

The Bucs, who chased Juan Pizarro with two runs in the first, then cracked the tie and hung the defeat on reliever Joey Jay (0-1) in the third when he hit Don Hoak with a pitch and Hal Smith followed with a triple. Pittsburgh

scored three more in the fourth, all with two out, on Bob Clemente's towering homer and Smith's double.

San Francisco walloped five home runs against the Cubs, but it was Willie Mays' double in a two-run eighth that clinched it for the Giants. Jim Davenport walloped two homers for the Giants, Willie McCovey, ex-Cub Dale Long, who got off a three-run shot as a pinch-hitter, and Ed Bressoud hit the others.

Sam Jones gave up a pair of Cub homers, by Frank Thomas and George Altman. Billy Loos (2-0) won it in relief with a save by Johnny Antonelli. Don Elston (1-2) lost it.

The Cards scored five in the first, three on Stan Musial's double, against loser Sandy Koufax (0-1). But it was Daryl Spencer's two-run double off reliever Roger Craig in the fourth that won it. Spencer also homered for the Cards, who had 15 hits and nine walks. John Roseboro, Gil Hodges and Wally Moon hit home runs among the Dodgers' 14 hits. Marshall Bridges won in relief, but needed Lindy McDaniel's help in the eighth.

Rob Roberts needed Ruben Gomez' relief after giving up home runs by Frank Robinson and Edie Kasko, but won his first for the Phils. Jim Coker's two-run triple in the fifth put it away. Roy McMillan also homered for the Reds. It was his fourth — tops in the majors.

### Forerunner Purse Won by Tompion

LEXINGTON, Ky. (AP)—Tompion's first Kentucky step toward the derby was taken in a champion's stride. The next step, less than a week away, may prove much more difficult.

C. V. Whitney's colt proved Friday that he's top derby material. He downed seven other hopefuls for the rosy race, but his next start, in the Blue Grass Stakes, probably will be against tougher competition.

The field he whipped in the seven-furlong Forerunner Purse, his first race in Kentucky, were such stars as Victoria Park, Pied d'Or, Hillsborough and Bourbon Prince.

Those may well be back for a try at Thursday's \$25,000-added Blue Grass Stakes. And to make things worse for Tompion, Weatherwise and Venetian Way are likely starters too.

Greentree Stable announced some time ago it would skip the Forerunner for the Blue Grass and Weatherwise's next start. The colt showed brilliant stretch steam in winning a six furlong event here. Venetian Way also is eligible for the Blue Grass.

Tompion's time in the Forerunner was 1:21 4-5. He paid favorite's odds of \$4-40, \$2-60 and \$2-20.

## Tribe Loses 4-2 To Athletics

### Hawkins Ousted In First Start

KANSAS CITY (AP)—Barry Latman will make his first start for the Cleveland Indians today in the second game of their series with the Kansas City Athletics.

The 23-year-old right-hander, obtained by the Tribe this week from the Chicago White Sox in exchange for Herb Score, will be opposed by Dick Hall, 29-year-old ex-Pittsburgh hurler.

Norm Siebern and Bob Cerv hit back-to-back home runs Friday to lead the Athletics to 4-1 victory in the series opener. The loss was the third for the Indians and left them the only American League team without a victory.

The winner was Ray Herbert, a veteran right-hander who allowed nine scattered hits in going the distance. He finished strong by retiring three men in order after Russ Nixon led off the ninth with a double. The win was the first for the Athletics after two losses to Chicago.

Cleveland outthit Kansas City, 9-7, but was never able to get a rally started. Four double plays cut down Indians runners in the first seven innings.

Wynn Hawkins, 23-year-old right-hander making his first major league start, obviously was shaken by Siebern's and Cerv's home runs in the second inning. He walked two batters in that frame and one in the third before he was taken out.

He was followed to the mound by Dick Stigman, Bob Tiefenauer and John Briggs, who gave the Athletics but one hit between them.

Cleveland took a 1-0 lead in the top of the second inning on a double by Tito Francona and a single by Nixon, but the two home runs in the home half of the inning put the Athletics ahead to stay.

Cerv drove in another run in the third inning with a triple against the center field fence, scoring Jerry Lumpe, who had singled. Cerv scored when Harry Chiti followed with a double to center.

## Tigers Hand Chisox 1st Loss

Yankees, Red Sox Contest Winners

By The Associated Press  
Not one of the pitching "Big Four"—Frank Lary, Jim Bunning, Don Mossi or Paul Foytack—has been a winner, but home runs and singles have made Detroit a bunch of Tigers on a tear in the American League race.

Bunning, the no-hit right-hander who shared the Detroit lead with Lary and Mossi with 17 victories last season, missed in his first start Friday, but the Tigers plunked Chicago out of a share of first by handing the White Sox their first loss 6-5. A two-out single by Lou Berberet in the ninth gave the unbeaten Tigers their third success, all on last-inning runs, after earlier homers by Rocky Colavito, Eddie Yost and Steve Bilko.

The New York Yankees moved past Chicago into second place, beating Baltimore 5-0 as winner Whitey Ford and Ralph Terry combined for an eight-hit shutout. Kansas City won its first, sending winless Cleveland to a third defeat 4-1. And Boston, down 3-0, defeated the Washington Senators 5-4 in 11 innings on Vic Wertz' home run.

In the National League, San Francisco broke a tie with Los Angeles for first by whipping the Chicago Cubs 10-8. St. Louis rapped the world champion Dodgers 11-7. Pittsburgh jumped ahead of Los Angeles into second place with a 6-2 decision over Milwaukee. Philadelphia beat Cincinnati 10-7.

A pair of relief pitchers, Pete Burnside and Tom Morgan, have picked up Detroit's victories behind starts by Lary, Mossi and Bunning. Morgan won his second with one perfect inning against the White Sox. Bob Shaw, battered in his first start Thursday, was the loser in relief for Chicago, giving up two hits and five walks in 1 2/3 innings.

Ford, now 5-0 in home-opener assignments, singled home the first Yankee run off loser Hoyt Wilhelm in the third. Ford gave up seven hits in seven innings and gave way to Terry, who finished up.

Right-hander Ray Herbert of the A's gave up nine hits while eating the Indians. Norm Siebern and Bob Cerv hit consecutive second-inning home runs off losing rookie Wynn Hawkins, and Cerv tripled home another in a two-run third.

Wertz homered, off losing reliever Dick Hyde, climaxed a pair of comebacks for the Red Sox. Left-handed rookie Jim Kaat had them blanked on three hits until Frank Malzone's one-on homer triggered a tying, three-run eighth. The Nats went ahead in their eighth, but singles by Lou Clinton and Gary Geiger and a sacrifice fly by Ray Webster tied it again in the ninth. Bill Monbouquette (1-1) was the winner in relief.

## Salem 7th, 8th Grade Track Squads Split With Alliance

The Salem seventh and eighth grade track teams broke even in their first meet of the season Thursday at Reilly Stadium against Alliance State Street.

The local eighth grade won 35 1/2-32 1/2 while Alliance State Street copped the seventh grade competition 46-27.

Coach Jerry Martin's eighth graders eked out a win by taking first and second places in the final event, the broad jump. Tom

Bauman won the event with a leap of 15-7 1/2. Dick Capel was close on his heels with a jump of 15-7 1/4.

A NEAR RECORD performance was posted by Bob Hiner in the low hurdles. His time of 16.7 was just one-tenth of a second off the record.

The versatile Bauman was a double winner for the Salem eighth grade. Besides winning the broad jump, he captured the high jump. Soaring over the bar at 4-9. The other Salem winner was Carter who clicked off the 440-yard dash in 1:03.3.

Despite the loss by the Salem seventh grade, almost every participant posted his best mark. Two of the outstanding Alliance boys accounted for 28 1/2 of their team's total points.

COACH MARTIN says that as a team the seventh grade efforts Thursday were about par with those posted by last year's team in its first meet. The team was sparked by Cody Goad, Jim Garrett and Frank Fitch.

"The interest of this group in track is indicated by the fact that we fielded four 440-yard relay teams and three 880-yard relay teams," Coach Martin commented. The eighth grade also had four 880-yard relay teams. Most schools have only one or possibly two teams in each relay, Martin pointed out.

Martin reports that his ninth grade team, which has been running in the high school varsity meets for experience, has already bettered six marks posted by last year's squad. The freshmen will open their season with East Palestine at Reilly Stadium on Wednesday. The seventh and eighth grade teams will also participate in this meet.

Three new teams were added when members of Robbyn's Knoll Golf League met at the club recently, Hal Keefe of Sebring, secretary, reports.

Ten teams have entered the league which will be limited to 12 teams.

Another meeting of the league will be held Monday, May 9, at 7:30.

The league will open play May 16.

## Wood Memorial Race Is Scheduled Today

NEW YORK (AP)—The \$75,000-added Wood Memorial, a race for 3-year-olds which has produced five Kentucky Derby favorites in the last seven years, is on tap today at Aqueduct. But the favorite isn't eligible for the big race at Louisville May 7.

Louis Wolfson's Francis S., winner of the Governors Gold Cup at Bowie last month and the Bay Shore Handicap at Aqueduct April 13, is the 3-1 Wood favorite.

Edward Seinfeld's Don Rickles, George D. Widener's Yorktown, Alfred G. Vanderbilt's Idolater, and the Maine Chance Farm's Never Give In are other well liked candidates in the 1 1/4-mile event.

## Season Opens Tonight At Canfield Oval

Some 60 cars are expected to be in the pits tonight to help Canfield Speedway open the 1960 racing season.

Modified "bombs" and late model racers will share the honors in an eight-race program. There will be two feature events—20 laps for the late models and 25 for the "bombs". Also billed are four heat races and a consolation and Australian pursuit. In all there will be 107 laps of action over the quarter-mile track.

Russ Allen of Canfield will have his Oldsmobile-powered "bomb" on hand. Allen captured one feature at Canfield last year and is planning on building a new car for the 1960 campaign. "My new one won't be ready for a few weeks," Allen said. But the Olds is in top shape for the opener.

Norm McCarthy will head a large field of Cleveland pilots. McCarthy will have his Lincoln-powered bomb on hand. Don Eggett will be in from Willoughby Heights with his Ford. Ron Krecji of Burton is also entered. Al Metz, George Sember, Bud Cochran and Ronnie Crash headline a strong Sharon, Pa., entry list. Dean Mast, Rich Bauman, Norm Calhoun, Jim Seese, Bob Adkins, Jerry Dudley, and Ernie Lowe are just a few of the other top stars entered in the modified field.

Bill Forney, Jim Bickerstaff, Nook Walters, Roy Gemberling, Bob Montgomery, Ed Mitchell, Bud Wilder, Joe Bevilacqua and Bud Middaugh will lead a strong field of late model entries.

Time trials begin at 7 and first race at 8:30 p.m.

## 'Substantial Raise' Demanded by Brown

By The Associated Press  
The Cleveland Browns' star fullback, Jimmy Brown says he will quit the game unless he gets a substantial pay raise.

"I haven't signed my contract for next season and unless it is for what I think it ought to be, I'll quit," he said at West Virginia State College Friday.

Brown, who joined Cleveland as a rookie in 1957, said he had carried the ball for an average of 30 times a game last season—far more than any other back in the league. And he said he figured any man that useful to an offense is worth a lot of money.

He said he was considering an offer which would keep him in athletics, but refused to elaborate.

The Cleveland Plain Dealer said Brown may be considering boxing. The paper said Brown "has had a long-standing offer of a guarantee—reported at \$150,000—for a two-year fling at boxing." He had been offered a boxing contract in 1956 but passed it up for football.

# Akron Joe's Ousts Salem Lape From Little City Tourney

## Twin City Elks Upset Cornecki

Semifinal, Title Games Set Today

All-American Jimmy Darrow and Akron Joe's All-Stars knocked Salem's final title hope from the Little City Basketball Tournament Friday night as they racked up a 96-85 decision over Lape Hotel.

In the other quarterfinal game last night at the Memorial Building, Twin City Elks of Farrell, Pa., upset Cornecki A. C. of Beaver Falls, 76-75.

Twin City dropped a game earlier in the tourney but got a second chance when the team that beat them chose not to continue in the tournament after two of its players were ruled ineligible.

Akron Joe's and Twin City Elks will meet at 2 p.m. today in the semifinals. Ravenna Duracote and Youngstown Ed Menaldi Jewelers are slated to clash in the other semifinals game this afternoon at 3:15.

The two winners this afternoon will tangle in the championship game tonight at 9. The losers will meet in the 7:30 consolation match to decide third place.

**FAVORED TO REACH** the finals are Ravenna Duracote, featuring Gus Johnson and Charlie Boykin, and Akron Joe's, the Akron Goodyear team plus Darrow.

The All-American from Bowling Green, Darrow, put on a remarkable exhibition of outside shooting last night to play an instrumental part in sinking the Lape Hotel quintet.

The diminutive but stocky cager pumped in 28 points, most of them on long one handers. The large partisan crowd gave the All-American a good riding throughout most of the game and voiced its delight whenever he missed a shot. This unfortunately for the Salem quintet, wasn't too often.

**THE AKRON CREW** had too much height and experience for the locals who turned in a creditable performance. Akron Joe's made only a token effort to defend the Salem team most of the game.

Rich Hunter and Woody Deitch caused Akron some headaches with their jump shooting. Rich Hunter tallied 21 points to lead the Salem attack. Deitch and Jim Thomas each collected 19 markers and Dave Hunter had 18 for the locals.

Deitch showed that he hasn't lost the touch on his bullet-like long jumpers. Rich Hunter held his own against the bigger men. He hooked tough on a short jump shot.

Thomas, a Western Reserve University cager, played one of his better games for the Salem team.

**DAVE HUNTER** appeared to irritate the Akron outfit as much as any other Salem cager because of his drives down the middle. The Akron team, however, which appeared to know every trick in the basketball book, soon made these driving tactics a little dangerous as the traffic in the lane became congested.

Dave Hunter chalked up eight of his 18 points from the foul line. The All-Ohio high school cager from Salem was eight for eight from the charity line.

Bill Reigel of Joe's, who like Darrow is an alternate on the U.S. Olympic team, hooped 25 points, including nine fouls in as many tries.

**BILLY JOE HUNTER** looked like an All-American in his 18th last night as he poured in points in leading Twin City to its upset win over Cornecki A.C. The former Duquesne University cager tallied all but his 40 points in the second half.

tilt was close all the way. City was on top 15-13 after period. Cornecki was in the 34-31 at halftime, but the ell quintet was back on top 39-37 at quarter mark by a 59-point.

Cornecki picked up 28 points in final frame but Twin City got it too, popping in 27 markers to walk off with a one point victory. Larry Zeh led the Geneva College men with 27 points. This is the team which upset Cleveland Biépp-Coombs earlier in the tourney.

**TWIN CITY** supposedly had been eliminated from the tournament when they dropped a close decision to East Liverpool Freed's American Billiards on Wednesday. However, Tournament Director John Dawson, upon the request of the Cornecki A.C. coach, ruled Freed's Bevo Francis and Jim Tucker ineligible because of their questionable amateur status. They had both played against Twin City.

Freed's decided to drop out of the tourney rather than play with-out Francis and Tucker.

**TODAY'S GAMES**  
2, Akron Joe's All-Stars vs Twin City Elks, Farrell.  
3:15, Youngstown Ed Menaldi Jewelers vs Ravenna Duracote 7:30, Consolation game  
9, Championship game.

**TWO-FOLD STRETCH** — Whether it's Frank Howard, left, or Gil Hodges reaching for a peg at first base, the Los Angeles Dodgers will get maximum coverage. Gil stands 6-2 straight up. Frank towers to 6-7.

## Finsterwald, Besselink Lead In Tourney

NEW ORLEANS (AP)—There's little pleasant about a broken wrist, but big Al Besselink thinks such a mishap may have a direct relation to his sharing the lead with Dow Finsterwald in the \$27,000 Greater New Orleans Golf Tournament today.

The 210-pound Besselink, playing out of Grossinger, N.Y., and a mainstay on the pro tour for several years, showed a 36-hole effort of 68-67-135 when the tournament headed into its third round.

The slightly-built Finsterwald, 30-year-old Tequesta, Fla., veteran, who is among golf's three big money winners this year, added a 66 Friday to an opening round 69 to deadlock Besselink for top place.

The two had a stroke lead over lanky Houston LaClair of Birmingham, Ala., while Bob Rosburg of Overland Park, Kan., was fourth at 137.

Former PGA champ Lionel Herbert of Lafayette, La., South African rookie Harold Henning, and J. C. Goosie of Knoxville, Tenn., were within whispering distance of the top at 138.

Besselink skipped in with 5 birdies on the back 9 Friday, capping his round with a birdie four on the 485-yard 18th. He had a bit of trouble on the front nine with bogies on seven and eight.

Because of a wrist fracture three years ago, Besselink said he deserted his "punch swing" for one that flowed smoother.

"I've been winning money, but I haven't been shooting any 65s or 66s," he said, "so I decided to go back to my old swing here, and well, look for yourself."

## Louise Suggs Ahead In Dallas Open

DALLAS, Tex. (AP) — The \$10,000 Dallas Women's Open Golf Tournament began to look like a repeat of 1959 today—Louise Suggs was leading and Wiffie Smith was second.

Miss Suggs from Atlanta, shot her second straight 1-under-par 70 Friday for 140 at 26 holes to take the lead by three strokes over Miss Smith, who had a 74 for 143.

Miss Suggs won the title last year with 287. Miss Smith, from St. Clair, Mich., was runner-up with 28.

Friday's round started with Miss Smith, Jo Ann Prentice of Birmingham and Fay Crocker of Montevideo, Uruguay, the leading money winner of the year, tied for the top with 69s. Miss Prentice took a 76 and Miss Crocker a 77.

In third place at 14 was Mickey Wright of San Diego, who shot her second straight 72. Tied for fourth at 145 were Miss Prentice and Betsy Rawls of Spartanburg, S.C. Miss Crocker was tied for sixth at 146 with Ruthie Jessen of Seattle and Patty Berg of St. Andrews, Ill.

The 29-year-old receiver pointed to his 1957 season with the Athletics as an example of his power.

"By the first of June, I had 12 home runs and was leading the team in hitting and runs batted in," he said. "Then I was benched. I was only spotted here and there after that. But I wound up hitting .300."

## Crowd at Tigers Game Sets Record

DETROIT (AP)—They came in droves in a wildly enthusiastic welcome for the surprising Detroit Tigers and it has been a long, long time since Briggs Stadium rocked with such excitement.

Friday's throng of 53,563 at the Tigers' 60th American League home opener established a record opening day turnout and the local heroes didn't disappoint anyone except the Chicago White Sox.

The Tigers stayed in the game on home run power, then won it on two walks and two singles in a dramatic ninth inning. When catcher Lou Berberet drove a two-out single to center field for the winning run, the delirious fans cranked up enough noise to make the pre-game aerial bombs sound like a pop-gun. The score was 6-5.

The big attraction was Rocky Colavito because Detroit fans wanted to see the man they got for batting champion Harvey Kuenn. "The Rock" didn't let them down. He turned loose an aerial bomb himself, a line shot into the left center field seats with a mate aboard in the second inning.

## Major League Stars

By The Associated Press  
Pitching — Bob Friend, Pirates, helped put Pittsburgh in second place with a seven-hit, eight-strikeout job in 6-2 victory over the Braves.

Hitting—Jim Davenport, Giants, lined two homers and drove in three runs in 10-8 victory over the Cubs.

## Four Kentucky Derby Eligibles Race Today

SAN MATEO, Calif. (AP)—The 45th running of the \$40,000 added California Derby today determines the champion of the Bay Meadows 3-year-olds with T.V. Lark the expected favorite.

Four Kentucky Derby eligibles are in the field of eight, but T.V. Lark isn't one of them. Through an oversight, the winner of the rich Arlington Futurity was not nominated for the Louisville race May 7.

The four eligibles are Noble Noor, Clown Prince, Henrijan and Mirtaugh. Noble Noor is the probable second choice in the mile and an eighth test.

## Marble Tourney Scheduled April 30

The Third Annual Salem Marble Tournament will be held Saturday afternoon, April 30, at the Centennial Park tennis courts.

The event is co-sponsored by the Allen K. Reynolds Post 892, Veterans of Foreign Wars, and the Salem Park Commission.

Boys and girls will be combined into three age groups for the tournament. The age groups are: 9 and under, 10 to 12, and 13-15.

The winner in each age group will be awarded a medal and will earn the right to enter the District Tournament in Coshocton on May 7.

Last year's winners were Robert Hall, Howard Fowler, Jr., and Jim McCoy.

## Matthews, Vaillant Battle to Draw

MIAMI BEACH, Fla. (AP) — Lightweights Len Matthews and Douglas Vaillant battled to a sizzling draw in 10 rounds Friday night and their managers were talking of a re-match before the crowd had cleared the auditorium.

"I thought he won the fight and I'm willing to meet him again any time, any place, even in his home town of Philadelphia," said Bernard Barker, the manager of Vaillant, who comes from Cuba.

Matthews' manager, Tony Graziano, said:

"I thought Matthews won on effective punching. He was the aggressor all the way. We're willing to fight him again, any time."

Matthews, who ranks fourth among the lightweights, favored in the nationally televised fight but the Cuban smothered him with speed and variety of punches.

Referee Jimmy Peerless scored it even and so did Judge Gus Jacobson, which meant a draw. Judge Stu Winston voted for Vaillant.

## An Open Letter To The Republican Voters of Columbiana County

### How To Pick Your State Representative

There are two State Representatives to be elected to represent Columbiana County in the Legislature next term. ONE of these two will only serve ONE term. How would you pick the best qualified?

Part of the duties center around introducing legislation and enacting it into law. To be effective, your State Representative must know how to successfully argue the passage of a bill before a Committee appointed to hear its merits and on the floor of the House, where all others may either attack it or help to secure its passage.

The second part of the duties center around the knowledge your State Representative has of the workings of the various departments of your State Government and knowing the people within these departments, and knowing how to secure from them the services their departments can supply your County, its Cities and the voters back home.

To be a successful State Representative, it takes a person who has experience and knows how to get his bills passed, as well as ability to secure for the voters back home, road projects, lake improvements, parks and the other things you all want the State to provide.

Remember, you elect these men this November and on January 1st, 1961, the Session starts! Your State Representative must be ready to function immediately. The Session is for the FIRST six months and for the balance of the eighteen months left in the term, there is no Session. There is no opportunity to learn the job before he begins his duties, therefore it takes a term and at least a Session for a man to learn his way around the Legislature and to be the most effective for the people of Columbiana County. A man who has had previous experience, seniority and ability, can do the best job for you.

All of these are good reasons why one of these two men to represent Columbiana County should be DELMAR T. O'HARA.

DEL O'HARA served two terms in the Legislature for Columbiana County, from 1951 to 1955. While serving his second term he was Chairman of the Welfare Committee and was the only State Representative from Columbiana County ever to hold a major office his second term. He introduced and had passed many bills dealing with important legislation, including the Highway Patrol, T. B., Veterans Benefits, Old Age Pensions, Prisoner Rehabilitation Bills, and many others.

During each of the terms DEL O'HARA served, Columbiana County was granted increased appropriations for Guilford Lake. Zepernick Lake was acquired during his second term and he started the Highlandtown Lake project, which is now almost a reality.

O'HARA personally brought Frank Lausche, then Governor of Ohio, to Millville Hill in Salem, to see this hazard and secured his help and support to eliminate this dangerous section of Route 14, which later resulted in the Salem By-pass.

He led the fight for the Northwest section of the County against the Ohio General Telephone Company and helped them secure better telephone service.

O'HARA aided many Cities in Columbiana County to secure additional State aid in the form of the black topping of City Streets by the State Highway Department, and helped in many other local projects, too numerous to mention.

He has experience and background to start in working effectively for the people of Columbiana County the day the Session starts;

He has seniority already established, which will enable him to secure Committee appointments to which no Freshman Legislator would be entitled.

He already is personally acquainted with the leaders of the Legislature;

He already is personally acquainted with the heads of the various departments of the State Government;

You Have Trained Him For The Job!

home of Bill Burns recently. A number of scouts are planning to appear before the Board of Review.

The next regular meeting is May 2 at the school. Maps of the Great Lakes were the project when Cub Scout Pack 47 met recently. Den 1 was at the home of Mrs. Charles Crawford, Den 2 at the home of Mrs. Paul Crawford, and Den 3 at the home of Mrs. Aubra Booth.

## 1,500 Seedlings Planted At Green Township Park

GREENFORD — Close to 1,500 three-year old Norway Spruce and white pine seedlings were secured by the Green Township trustees. Recently members of the Ruritan Club, Farm Bureau, Greenford grange and Oakdale 4H Club planted them around the border of the Greenford park and around the site of the future Boy Scout cabin.

## Orientation Flights Are Held by CAP

The Salem Composite Squadron, Civil Air Patrol, held a cookout and orientation flights for the Squadron cadets at the H & E Airport Wednesday night. Present for the combined training program and first anniversary of the Salem Squadron were 16 cadets and 15 members of the senior staff.

Cadets are scheduled to receive a minimum of six hours of flight orientation a year.

Flying officers at the Wednesday evening project were 2nd Lt. Joe Sox, operations officer; George Conrad, executive officer; and Fred Paddon of the Bliss Company.

Assisting in the flight operation were Master Sgt. Tom Hutson, Master Sgt. Gene Hannah, Information Officer Dave Linn, Lem Anderson and Kerm Riffe.

Runway lights at the H and E Airport facilitate the use of the field in the evening and permit more flexible C.A.P. activities locally.

The recent installation of a telephone in the field office will be augmented by the installation of a radio network which will tie the Salem Squadron more closely with Group and Wing Headquarters, particularly in the interest of Air Search Rescue and Civil Defense operations.

At a recent Senior Staff meeting plans were formulated for air ground radio installation connecting the six operational CAP aircraft with the airfield and the mobile unit.

Lt. Paul Howard is squadron commander. Lt. Howard called attention to the parents of the cadets, as well as the general public, that all are invited to attend the National C.A.P. Drill Competition at the Youngstown Air Force Reserve Base May 7.

## Hearing Scheduled On IBOP Injunction

Common Pleas Judge Joel H. Sharp has ordered counsel and parties involved in the temporary injunction suit of James H. Duffy, et al., against the International Brotherhood of Operator Pottery, AFL-CIO to appear next Friday at 1 p.m. for a pre-trial hearing to determine the issues in the case and assign a time for the trial.

The defendant's requested a continuance after the lawsuit was filed April 1.

The suit seeks to prevent the erection of a new union office building on Route 7, outside East Liverpool. The plaintiffs claim the proposal has not been endorsed by all the union locals.

## 4 County Youths to Attend Forestry Camp June 19-25

The Salem News and The East Liverpool Review will co-sponsor four Columbiana County youths to the 10th annual Ohio Forestry Training Camp.

The camp period will be from June 19 through June 25 at Tar Hollow State Park, a 16,000-acre tract south of Adelphi in Ross County.

As in the past, the county farm extension office at Lisbon will be in charge of selecting those youngsters who will attend. Applications may be obtained from Joseph V. Burger, extension agent, at the office 113 South Market St., Lisbon.

The camp is limited to students who have not attended before and who have passed their 15th birthday but not their 19th birthday by June 19. They also must have completed the ninth grade in school.

Brush-Moore Newspapers, Inc., of which the News and the Review are members, will sponsor 22 scholarships to the camp in counties in which they circulate in Ohio. Four each will be from Columbiana, Jefferson, Stark, Marion and Scioto and two from Lawrence.

The scholarships were established as a memorial to William H. Vordrey of East Liverpool, secretary-treasurer of Brush-Moore at the time of his death.

The camp fee is \$30, with each selected camper paying \$5 and the News and the Review the remaining \$25.

The objective of the camp is to acquaint those participating with the problems associated with forest management, wood utilization, reforestation, forest fire control and watershed management.

Richard Shell, principal of Northmont Senior High School in Clayton, again will be camp director. He will be assisted by Gilbert Johnson, executive head of Alexandria schools.

## Antisidown Law Receives First Test

By The Associated Press

Mississippi's new antisidown law will be given its first test today near Starkville when seven Arkansas Negroes appear in court for entering a white rest room at a gas station and seeking service at an adjoining cafe.

Trial is scheduled at the town of Osborn before a justice of the peace on a warrant charging trespassing on unauthorized property and signed by the cafe operator, Mrs. D. W. Watson.

The arrest of the seven was the first under the new law. Sheriff Torn Cook said the Negroes, who gave Little Rock addresses, were stopped by highway patrolmen Wednesday a few miles from the gas station, taken to the Starkville jail and later released under \$200 bond each.

The sheriff said they were among 18 or 20 Negroes en route to Tuskegee, Ala., in three cars.

The Mississippi law was passed by the Legislature recently in an effort to block any sitdown demonstrations in the state. Conviction carries a maximum of six months in jail and \$500 in fines.

In North Carolina, Negro students demonstrating against segregated lunch counters in the South won their first major court victory at Raleigh Friday.

Judge Jack W. Hooks dismissed trespass charges against 43 Negro students on the basis of a 14-year-old U.S. Supreme Court ruling that a sidewalk—even on private property—is open to the public.

The students were charged with trespassing on the privately owned sidewalks of Raleigh's Cameron Village hopping center.

But the judge told the students that "even though the sidewalk is dedicated to public use, it is not dedicated to public abuse. The law protects people in their property and it is going to continue to do so."

"You are setting up a situation that is dangerous and the whole world is holding its breath," he said. "In my opinion your movement is not a student movement. You are only taking directions."
